Join the Orange County Human Relations Commission (HRC) for a Community Conversation, with the goal of hearing from residents about views of UNC's Confederate Memorial (aka Silent Sam).

It is part of the HRC's mission to study and make recommendations concerning problems in the field of human relationships, and to anticipate and discover practices and customs most likely to create animosity and unrest and to seek solutions to problems as they arise.

For more information, contact the Human Relations Commission staff at 919-245-2487 or Human_Relations@orangecountync.gov
